Love Is Alive

Anastacia

Well, I think it's time to get ready
To realize just what I have found
I have been only half of what I am
It's all clear to me now
My heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is alive
There's something inside that's making me crazy
I'll try to keep it together
'Cause what I say may not happen the same when
Now could be forever

My heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is alive
There's a mirror moving inside my mind
Reflecting the love that you shine on me
Hold on now to that feeling
Let it flow, let it grow
My heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is alive
