

Restore My Soul

Vertical Church Band

Restore my soul
Revive my heart
Renew my life
In ev'ry part
Reveal to me
What sin remains
Then lead me to
The cross again

At the cross
I will find a way
To live the life
Your hand has made
So find me there, Lord
And help me stay
In true surrender
With You, my Savior

We light the fire
That burns so strong
Reminding me
What You have done
My one request
Is to be changed
So lead me to
The cross again

Yes, at the cross

I'm turning
I'm turning
I'm turning around
I'm coming back to You
I fix my eyes on you
You're everything I need
You're everything I need, God

I'm coming back, I'm coming back
I'm coming back, I'm coming back
