

Wicked Love

Foxes

Screaming all night
Rip me right from paradise
Big words, small lies
Out to get me every time
Lost in your heartbeat, body moving on mine
Caught in the madness, doubt the feelings inside
'Cause I know that you're trouble, and I know that it ain't right
But I want you and I can't get enough
Of your wicked love, wicked love, wicked love, wicked love
Hurts when I hold your
Wicked love, wicked love, wicked love, wicked love
But it's worse when it's over
You're no good for me
This ain't how it oughta be
But you're like honey
I get stuck when you get sweet
Lost in your heartbeat, body moving on mine
Caught in the madness, doubt the feelings inside
'Cause I know that you're trouble, and I know that it ain't right
But I want you and I can't get enough
Of your wicked love, wicked love, wicked love, wicked love
Hurts when I hold your
Wicked love, wicked love, wicked love, wicked love
But it's worse when it's over
It's kind of criminal
When you mess with my head
But it turns me, turns me on
Every time I see red
Of your wicked love, wicked love, wicked love, wicked love
Hurts when I hold your
Wicked love, wicked love, wicked love, wicked love
But it's worse when it's over
Wicked love, wicked love, wicked love, wicked love
Hurts when I hold your
Wicked love, wicked love, wicked love, wicked love
But it's worse when it's over
(Wicked love, wicked love, wicked love, wicked love
Hurts when I hold your
Wicked love, wicked love, wicked love, wicked love
But it's worse when it's over)
