

# Kidz At the Disco

## Cut Copy

It's not the music that i'm in to,  
It's just an attitude,  
Kids at the disco act so cool,  
But I can see right through  
It's not the music that i'm in to,  
It's just an attitude,  
Kids at the disco act so cool,  
But I can see right through,  
But I can see right through
