Hero In Me

Emily Osment

You know I used hear a voice that said
Trouble's coming, better stay in bed
I was shocked, no, I couldn't believe
My world rocked, it was news to meWhen I looked in the mirror today
I looked back and I heard me say
I got to own it, breathe it, live it like I mean itGot the hero in me, it's all I wanna be
Someone to rely on, looks good on TV
Save the day, it's part of the routine
Out of my way, this is a job for meI gotta own it, breathe it, live it like I mean it
In control, it's so good to go, yeah
Figured it out and it's time you know!There's a hero in me, it's all I wanna be
Someone to rely on, looks good on TV
Save the day, part of the routine
Out of my way, this is a job for meThere's a hero in me, it's all I wanna be
Someone to rely on, looks good on TV
Save the day, part of the routine
Out of my way, this is a job for meThere's a hero in me yeah
There's a hero in me
Oh oh oh
