

Icarus - Borne On Wings of Steel

Kansas

Early in the morning sunlight
Soaring on the wings of dawn
Here I'll live and die with my wings in the sky
And I won't come down no more Higher than a bird I'm flying
Crimson skies of ice and fire
Borne on wings of steel, I have so much to feel
And I won't come down no more Sail on, sail on
I will rise each day to meet the dawn
So high, so high
I've climbed the mountains of the sky Without my wings
You know, I'd surely die
I found my freedom flying high
I've climbed the mountains of the sky
