A Moment Like This

Leona Lewis

What if I told you it was all meant to be?
Would you believe me, would you agree?
Its almost that feeling that we've met before
So tell me that you don't think I'm crazy When I tell your love has come here and nowA Moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
I cant believe its happening to me
Some people wait a lifetime
For a moment like thisEverything changes, but beauty remains
Something so tender I cant explain
Well I may be dreaming but 'til I awake
Can we make the dream last forever?
And I'll cherish all the love we shareA Moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
I cant believe its happening to me
Some people wait a lifetime
For a moment like thisCould this be the greatest love of all?
I wanna know that you will catch me when I fall
So let me tell you this
Some people wait a lifetime for a moment like thisA Moment like thisA Moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
I cant believe its happening to me
Some people wait a lifetime
For a moment like thisA Moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
I cant believe its happening to me
Some people wait a lifetime

For a moment like this
