Terrorist Threats

Ab-soul

An open microphone can be dangerous
Duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
I can be that threat that make you change your life
Duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
Terrorist threats, terrorist threats
It's about fuckin' time, niggas to came up wit' some real shit
And start bustin' on you bitch niggas and kill some shit
Hot shells and cocktails, rags on faces
A terrorist fuckin' it up in chucks with fat laces
In my cutoffs I stand with trigger in hand
And nah bitch I ain't from the Taliban I'm from the Niggaban
West side rollin' motherfuckers up, call me Dub McVeigh
I'm 'bout to blow these motherfuckers up
West side duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
I can be that threat that make you change your life
West side duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
Terrorist threats, terrorist threats
We got you niggas scared like a snitch at a gangsta cookout
And when the meter read red cowards get took out
Back with more firepower than before

To us a nuclear bombin' is just a drug war
And I got no gangsta-izm and stardom
And got niggas shakin' that ain't even from Harlem
Spit rapid fire down in the whole place
And it's hard to breathe with duck tape on your face
West side duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
I can be that threat that make you change your life
West side duck nigga, West Coast

I can make a promise right now to take your life
West side, bustin' at you
Terrorist threats, terrorist threats
I'm from that WSCG car, bea' ya up in ER from m' PR nigga
Superstar, smokin' on a cigar, little homies know who the ol' Gs are
Been the shit since '86 and even right now, ain't gotta brag
To these bitches 'bout my lifestyle, don't mistake the westsida
For Al-Qaeda this ain't Supafly nigga I'm a Spida
West side duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
I can be that threat that make you change your life
West side duck nigga, West Coast
I can make a promise right now to take your life
West side, bustin' at you
Terrorist threats, terrorist threats
An open microphone can be dangerous
