

# Tuesday Night Fever

## Bury Your Dead

Alone I stand, here I stand waiting  
Dreams of me erasing all the false words that you spoke  
Alone I stand, here I stand waiting  
Dreams of me erasing all the false words that you spoke  
Regret filled nights finally end  
Sleepless nights finally end  
I'm not forgiving you  
I will never ever forgive you  
Reality is setting in  
It's your mistakes that brought you here  
The things you said, they brought me to my knees  
The truth, it hurts so fucking much  
But it hurts so much more in the end  
Where I am left  
But it hurts so much more in the end  
Where I am left  
So let's keep this bond as a reminder  
A reminder of all the things we fucking had  
Feeling no sympathy  
Feeling no remorse  
Feeling no sympathy  
Feeling no remorse  
Feeling no sympathy  
Feeling no remorse  
Feeling no remorse
