

My Heart Got Caught on Your Sleeve (Demo)

Lucius

Don't know how to start this
No I don't know what to say
They seem to fall out of the sky
Lost and found is all the same
Try to think of my heart as an ocean
Where there's room enough for things
To come up to the top
I'm counting on it sinking down again
Ooh My heart got caught on your sleeve
I need it please give it back to me
My heart got caught on your sleeve
Please give it back to me, please give it back to me
Smoked another cigarette cause even though I quit
I'll do about just anything to pacify my own torment
The moon is full and I can hear him laughing
As he plays these tricks on me
Almost like he's cheering on my dueling joy and agony
Ooh My heart got caught on your sleeve
I need it please bring it back to me
My heart got caught on your sleeve
Please give it back to me, please give it back to me
I am lost in my own home
I am lost
I am lost in my own home
I am lost
I am lost in my own home
I am lost
I am lost in my own home
I am lost
The guilt of just a thought
Can break your heart
Sometimes wish we never met
Cause now I fear the best
Oh I am captive in my thoughts
Surely this must be a test
I hardly know your voice
And find that I am hanging on your every word
Burned inside my brain
And I must stop until we meet again
My heart got caught on your sleeve
I need it please bring it back to me
My heart got caught on your sleeve
Please give it back to me, please give it back to me
My heart got caught on your sleeve
Please give it back to me, please give it back to me
Please give it back to me, please give it back to me
Please please please please please
Please
