You Will Win (Radio)

Jekalyn Carr

The Enemy came up aganish your home
The enemy came up against your children
The enemy came up against your Name
The enemy came up against your characterYou will win, win
You will win, winThe enemy came up against your health
The enemy came up against your finance
The enemy came up against your vision
The enemy came up against your business
You will win, win
You will win, winI know you're hurt
I know you're torn
I know you are brokenBuy you will winALl of those may be facts
But the truth still remains
That in the Name of JesusYou will winIts my winning season
Its my winning seasonEverything attached to me wins
Everything attached to me wins
Everything attached to me winsYou will win, you will win
Its my winning season
Its my winning seasonEverything attached to me wins
Everything attached to me wins
Everything attached to me wins
