## Modigs

His name was Perry  
He had a learning difficulty  
His father was a very mean man  
His father burned his skin  
His father send him to his death  
He was ten years old  
He was ten years old  
He was ten years old  
Her name was Naomi  
Beautiful round face, so ashamed  
Told me how to please a man  
After school in the back of a bus  
She was doing it every day  
She was eleven years old  
She was eleven years old  
She was eleven years old  
Her name was Sheryl  
Black hair, like an electric space  
She would pretty paint my face  
She was a very good friend  
Her father would come to her in the night  
She was twelve years old  
She was twelve years old  
His name was Donovan  
He was a very good friend  
The cards were stacked against him  
He was selling cocaine  
The last time I saw him  
He was thirteen years old  
He was thirteen years old  
He was thirteen years old  
His name was Charles  
He said he was in love with me  
We were both fourteen  
Then I had to move away  
Then he began to smoke crack  
Then he had to sell ass  
I don't know where he is  
I don't know where they are
