

# Seems Like a Long Time

Rod Stewart

Nighttime is only the other side of daytime  
But if you've ever waited for the sun  
You know what it's like to wish daytime would come  
And don't it seem like a long time  
Seem like a long time, seem like a long, long time  
Hard times are only the other side of good times  
But if you ever wished hard times were gone  
You know what it's like to wish good times would come  
And don't it seem like a long time  
Seem like a long time, seem like a long, long time  
Help me, seems like a long time  
Seems like a long time, seems like a long, long time  
And don't it seem like a long time  
Seem like a long time, seem like a long, long time  
And don't it seem like a long time  
Seem like a long time, seem like a long, long time  
And don't it seems like a long time  
Seems like a long time, seems like a long, long time  
You know it makes me sad  
Seems like a long time, seems like a long time  
Seems like a long, long time  
Yes it does, long, long, time, yes it does, long, long time  
War time is only the other side of peace time  
But if you've ever seen how wars are won  
You know what it's like to wish peace time would come  
And don't it seem like a long time  
Seem like a long time, seems like a long, long time
