So Many Girls

JLS

There's so many girls in here tonight
Looking for mrs right
I gotta make her mine
And I know that I gotta take my time
Don't wanna rush her so hard but I can't decideSo many girls in the building
And It don't matter where you from
Just put your hands to the ceiling
And let me know if you're the one
So many girls
There's so many girls in here tonight
So many girls
If she's here then I need her in my life
Is she my girl is she my girl is she my girl
Could she be my girl
So many girls
There's so many girls in here tonight
Are you my girlTell me how is a man to choose
I can't afford to lose
There will be no excuse
See baby girl you make like a dream come true
I don't know what to do
Could it be really youSo many girls in the building
And It don't matter where you from
Just put your hands to the ceiling
And let me know if you're the one
So many girls
There's so many girls in here tonight
So many girls
If she's here then I need her in my life
Is she my girl is she my girl is she my girl
Could she be my girl
So many girls
There's so many girls in here tonightHey you
Sitting over there
Your looking so good
I can't help but stare
Yeah you
I feel it in the air
Tonights my lucky night

I aint going to share
And now I see her I want her to be there
Whenever forever, all the time
But everytime that I do this I'm foolish
I'm never persuing the one I like
They got me feeling like
So many got me feeling like
They got me feeling like
So many got me feeling likeSo many girls
There's so many girls in here tonight
So many girls
If she's here then I need her in my life
Is she my girl is she my girl is she my girl
Could she be my girl
So many girls
There's so many girls in here tonight
So many girls
There's so many girls in here tonight
So many girls
If she's here then I need her in my life
Is she my girl is she my girl is she my girl
Could she be my girl
So many girls
There's so many girls in here tonight
