

# In Love with a Girl

Gavin DeGraw

So many people gonna say that they want you  
To try to get you thinking they really care  
But there's nothing like the warmth of the one  
Who has put in the time and you know he's gonna be there  
Back your border when she knows someone crossed it  
Don't let nobody put you down, who you're with  
Take the pain of protecting your name  
From the crutch to the cane to the high wire  
I'm in love with a girl who knows me better  
Fell for the woman just when I met her  
Took my sweet time when I was bitter  
Someone understands  
And she knows how to treat a fella right  
Give me that feeling every night  
Wants to make love when I wanna fight  
Now someone understand me  
I'm in love with a girl, I'm in love with  
I'm in love with a girl, I'm in love with  
Out the many broken back doors and windows  
Through the valley of the love of the lost  
Is a hole that is cut through the souls  
Falling down from the tones without leading innuendos  
But you found inner peace for the moment  
The moment was over in time  
Then it's gone, the hit and run  
The [incomprehensible] has a short life  
I'm in love with a girl who knows me better  
Fell for the woman just when I met her  
Took my sweet time when I was bitter  
Someone understands  
And she knows how to treat a fella right  
Give me that feeling every night  
Wants to make love when I wanna fight  
Now someone understand me  
I'm in love with a girl, I'm in love with  
I'm in love with a girl, I'm in love with  
Gonna tell you what you do to think  
You practice what you preach  
Now I know there's nothing we can't reach  
'Cause a heart can't erase once it finds a place  
To be warm and welcome, to be held in shelter  
I'm in love with a girl who knows me better  
Fell for the woman just when I met her  
Took my sweet time when I was bitter  
Someone understands  
And she knows how to treat a fella right  
Give me that feeling every night  
Wants to make love when I wanna fight  
Now someone understand me  
I'm in love with a girl, I'm in love with  
I'm in love with a girl, I'm in love with  
I'm in love with a girl, I'm in love with

Who knows me betterWants to make love when I wanna fight  
Now someone understand me
