

# Go Ahead

## Alabama Mike

Yeah, I met this shorty last night right, real rap  
And you know she looked like she was with her man  
And you know I ask, you with your man  
She was like, nah that's my friend, oh okay  
So that was my cue, ayo, Fab, aye, Khaled  
Shorty wanna give me the go ahead  
That I'ma stay even when I need to go ahead  
And if I feel somethin' I'ma try  
Figured you winked at me not just somethin' in your eye  
See shawty, you ain't got to tell me what I know  
That was E40 who said tell me when to go  
I know I got the green light and y'all get the red light  
So if the head right I'll be there every night  
Every night like a playoff game  
You hard workin' haters take a day off, man  
We the what? We the best, that's so true  
When I walk in this bitch, baby that's your cue  
I know you see me starin' girl, I see you lookin' at me  
Go find and it's apparent girl you feelin' luck in the street  
Girl tell me what's on your mind, let me know  
Girl give me the go, give me the go ahead  
What's on your mind, let me know  
Girl give me the go, give me the go ahead  
It's the boss, you know we global  
DJ Khaled, Flo-Rida, ya know how it is  
Baby you need international phone call to call me  
It's global right here  
I need bitch who motivated and know multiplication  
It's serve collect calls 'cause I got multiple cases  
Let it be house yea, the comfortable places  
Married to the game on a prenuptial basis  
Khaled, he the best in the game when he break it  
She the baddest in the club and I'm willin' to take it  
We got a lot 'o dollars, gotta be willin' to make it  
And if you wanna baby, might just be willin' to taste it  
Boss, I'm thuggin' and she lovin' it  
Gotta have protect one, sippin' on that bubbly  
It's hard not to notice me, we known globally

He's sittin' on the top of the world just so comfortably

I know you see me starin' girl, I see you lookin' at me  
Go find and it's apparent girl you feelin' luck in the street

Girl tell me what's on your mind, let me know

Girl give me the go, give me the go ahead

What's on your mind, let me know

Girl give me the go, give me the go ahead

Hey, let me get the okay shawty, what's on your brain?

I wanna know I see you lookin', I been peepin' your game

I get a rhythm, see me jookin' T, teach you a thang

Or two, I'm in the dang zip, you wanna come entertain me boo?

We can do that, there, just gimme the go

Been a playa unprepared, everybody grown folks

'Round here, them gold bottles hold them up

Then we can say cheers, let's take a toast

No wheat or white bread in my Pilsbury dough

Just give me the right head with the letters G O

All eyes on you like your momma, lame as a video

Imagine you and other kitties strollin' all over the city

I know you see me starin' girl, I see you lookin' at me

Go find and it's apparent girl you feelin' luck in the street

Crack, how hot is hot?

She on fire baby, burn the block

I even taught her how to turn to pot

You cool it off, and it come back rock crack

Yes, I am him

Pull strings like a violin

Then I cross over like I'm Iverson

To Z100 out to Ireland

White chicks is standin' on line

Black chicks is standin' on line

Don't discriminate, I disintegrate

So much cake, maybe we can get away

I know you see me starin' girl, I see you lookin' at me

Go find and it's apparent girl you feelin' luck in the street

Girl tell me what's on your mind, let me know

Girl give me the go, give me the go ahead

What's on your mind, let me know

Girl give me the go, give me the go ahead
