Bloody Mary

Tyla

She was raised in the sport of Kings
She had the luxury of life
She had everything
She smiled like a child, yeah
She piled her promises higher and higher
Bloody Mary marry me
I'm half the man I used to be
Bloody Mary marry me
Bloody Mary marry me
She sat in the mow
With her arms wrapped around her new pal
Beat like a heart then destroyed herself
The boy lay dead while your mother was crying to herself
Why me man
Bloody Mary marry me
Bloody Mary marry me
I'm half the man I used tobe
Bloody Mary marry me
Yeah
Bloody mary marry me
I'm half the man I used to be
Bloody Mary mary me
