Once More With Feeling

Jozef Van Wissem

We're just goin' through the motions of the parts we've learned to play
Never quite together like before
But somehow darlin' something good got lost along the way
And our song ain't nothing special anymore
Let's try it one more time with feeling darlin', take it from the top
Let me feel those tears a fallin' girl I don't want to miss a single drop
Darlin' make believe you're makin' me believe each word you say
Try it once more with feeling and we'll call it a day
Way you're reachin' out to touch me darlin'
Just the way you used to do
And you're lookin' everywhere but in my eyes
Well that's an oldy and it's a goody baby
But then words ain't ringin' true
And you don't seem very sure of your life
So try it one more time with feeling darlin' take it from the top
This one is the big one baby so give it everything you've got
Darlin' make believe you're makin' me believe each word you say
Try it once more with feeling and we'll call it a day
Let's try it once more with feeling and we'll call it a day
Think about it killer
