No Fear

Kelly Mcguire

Girl,
You lived your life like a sleeping swan,
Your time has come,
To go deeper

Girl,
Your final journey has just begun,
But destiny chose to leave her,

No fear,
Destination darkness
No fear,
Destination darkness

Girl
Rain falls down from the northern skies
Like poisoned knives
With no mercy

Girl
Close your eyes for the one last time
Sleepless nights
From here to eternity

No fear
Destination darkness
No fear
Destination darkness
No fear
