Airport

The Motors

So many destination faces going to so many places
Where the weather is much better and the food is so much cheaper
Well, I help her with her baggage for her baggage is so heavy
I hear the plane is ready by the gateway to take my love away

And I can't believe that she really wants to leave me
And it's hurting me so, it's getting me so

Airport
Airport, you've got a smiling face
You took the one I love so far away
Fly her away, fly her away

Airport
Airport, you've got a smiling face
You took my lady to another place
Fly her away, fly her away

The plane is on the move and the traces of the love we had in places
Are turning in my mind, how I wish I'd been much stronger
For the wheels are turning faster as I hear the winds are blowing
I know that she is leaving on the jet plane way down the runaway

And I can't believe that she really wants to leave me
And it's hurting me so, it's getting me so

Airport
Airport, you've got a smiling face
You took the one I love so far away
Fly her away, fly her away

Airport
Airport, you've got a smiling face
You took my lady to another place
Fly her away, fly her away

And I can't believe that she really wants to leave me
And it's hurting me so, it's getting me so

Airport

Airport, you've got a smiling face
You took my lover to another place
Fly her away, fly her away

Airport (airport)
Airport, you've got a smiling face
You took my lady to another place
Fly her away, fly her away

Airport (airport)
Airport, you've got a smiling face
You took the one I love so far away
Fly her away, fly her away

Airport (airport)
Airport, you've got a smiling face
You took my lady to another place
Fly her away, fly her away

Airport (airport)
Airport, you've got a smiling face
You took the one I love so far away
Fly her away, fly her away
