

# Tear Me Apart

[Allison Moorer](#)

OhSuns coming up blazing red  
Setting on fire everything you said  
To me last night it's breaking my heart  
Don't know why you want to tear me apartTried so hard to turn the other cheek  
That my head's spinning around like a tumbleweed  
Ain't ever gonna be another brand new startWhat am I supposed to do  
When I wanna scream every time I look at you  
I ain't safe and I ain't sound  
Might as well put me in the lost and foundOhWhat am I supposed to say  
When I wanna scream every time you look my way  
I ain't sad and I ain't sound  
Might as well put me in the lost and foundBecause I feel like a crumpled up paper sac  
Empty ring that's been thrown in the trash  
I gived and learned because I'm pretty smartBut I still don't know why you want to tear me apart
