In the Next Room

Quitters

There you go messing with my mind
I am usually better when I lie
There I go, stuck inside a shell
And you're living on the other side, a lovers carouselIf you only knewOh, I lose control when I hear your body move
Through the walls in the next room
Oh, I lose control when I hear your body move
And I'm dying to break through to the next roomYou make love to everything you touch
It's a natural reaction, it's a sexual attraction
You play me like I am made of strings
I'm the violin, a melody, I want your lips to singIf you only knew
How hard it is to handle
How bad I want this scandalOh, I lose control when I hear your body move
Through the walls in the next room
Oh, I lose control when I hear your body move
And I'm dying to break through to the next room
Oh, to the next room, ohTell me my world revolves around you
Tell me, boy, I can't live without you
Tell me you're losing sleep tonight
'Cause I'll tell you straight I'll never wait
I won't take no, no, no, no, no, no, no
Oh, I won't take no, no, noOh, I lose control when I hear your body move
Through the walls in the next room
Oh, I lose control when I hear your body move
And I'm dying to break throughOh, I lose control when I hear your body move
When I hear your body move
Oh, my heart you stole every time your body moves
I'm just dying to break through to the next roomI lose control, my heart explodes
To the next room
I lose control
