

Waiting for the Sun

The Doors

At first flash of Eden
We race down to the sea
Standing there on
Freedom's shoreWaiting for the sun
Waiting for the sun
Waiting for the sunCan't you feel it
Now that spring has come?
And it's time to live in the
Scattered sunWaiting for the sun
Waiting for the sun
Waiting for the sun
Waiting for the sunWaiting, waiting
Waiting, waiting
Waiting, waiting
Waiting, waitingWaiting for you to
Come along
Waiting for you to
Hear my songWaiting for you to
Come along
Waiting for you to tell me
What went wrongThis is the strangest
Life I've ever, known
Yea
Why should it?Can't you feel it
Now that spring has come?
That it's time to live in the
Scattered sunWaiting for the sun
Waiting for the sun
Waiting for the sun
Waiting for the sun
