

Crown Royal

[Jill Scott](#)

Your hands on my hips pull me right back to you
I catch that thrust, give it right back to you
You're in so deep, I'm breathing for you
You grab my braids, arch my back high for you You're diesel engine, I'm squirting mad oil
Down on the floor 'til my speaker starts to boil
I flip s***, quick slip, hip dip and I'm twisted
In your hands and your lips and your tongue tricks
And you're so thick and you're so thick and you're so Crown royal on ice, crown royal on ice
Crown royal on ice, crown royal on ice Your hands on my hips pull me right back to you
I catch that thrust, give it right back to you
You're in so deep, I'm breathing for you
You grab my braids, arch my back high for you You're diesel engine, I'm squirting mad oil
Down on the floor 'til my speaker starts to boil
I flip s***, quick slip, hip dip and I'm twisted
In your hands and your lips and your tongue tricks
And you're so thick and you're so thick and you're so Crown royal on ice, crown royal on ice
Crown royal on ice, crown royal on ice Got ya on ice, baby
