

I Wanna Waste My Time on You

The Crookes

If wanderlust
If wanderlust's replaced with love
It sounds to me a lot like giving up
Still it's so strange that every time I run away I'm left behind. I wanna waste my time on you
I wanna waste my time on you
Spinnin' round the skyline, golden gates, the 52
I wanna waste my time on you My ribs are cracked, my ribs are cracked, oh poor St. Jude
I wanna waste, waste my time on you
'cos you got me hooked
I'm down on my knees
If they say we're trash, we'll float on the breeze.
I wanna waste my time on you
I wanna waste my time on you
Spinning round the skyline, Brighton Beach and Bakerloo
I wanna waste my time
Waste my time on you Oh, I don't know where I belong
I don't know where I've gone wrong.
I wanna waste my time on you
Waste my time on you
Spinning round the skyline, when everything was new
All that I can do is waste my time on you
Waste my time on you
Spinning round the skyline, perfectly aligned
Wanna waste my time on you.
