The Weekend

Millionaires

I Just Want You For The Weekend
I Need You Like A Beat Inside My Head
I Just Want You For The Weekend
I Know I'm Gonna See Your Face Again
Come Here Right Now Girl
I'll Make You Sweat Like You've Worked Out
Then We'll Down A Drink Or Two
You Won't Know What I Put You Through
Chorus: I Just Want You For The Weekend
I Need You Like A Beat Inside My Head
I Just Want You For The Weekend
I Know I'm Gonna See Your Face Again
Let's Get Down And do some more
Then We'll Take You To The Floor
So Make Your Body close to mine

Girl Your Looking Fine
Not For The Last Time
Chorus: I Just Want You For The Weekend
I Need You Like A Beat Inside My Head
I Just Want You For The Weekend
I Know I'm Gonna See Your Face Again
Come Here Right Now Girl
I'll Make You Sweat Like You've Worked Out
Then We'll Down A Drink Or Two
You Won't Know What I Put You Through
I Just Want You For The Weekend
I Need You Like A Beat Inside My Head
I Just Want You For The Weekend
I Know I'm Gonna See Your Face Again
I Know I'm Gonna See Your Face Again
I Know I'm Gonna See Your Face Again
