

Two Bodies

Flight Facilities

Just two bodies
Just two bodies
Been so ready to dim my mind Come over or not, I've
Been so ready to dim my mind
Your body a drug, for mine
Two bodies moving in
Time and space to try and heal me
I know what I want, so come over and Hold me, I won't ask for anything more
I'm hurting, use me now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me I don't mind if you take advantage of me
So take advantage of me You're closed, you're a book. No lines
Can't read you if I try
And if that's the way you want it
That's fine I'll just close my eyes and
Try to ignore you, a free ride for you to Hold me, I won't ask for anything more
I'm hurting, use me now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me I don't mind if you take advantage of me
So take advantage of me Just two bodies
Just two bodies Just two bodies Hold me, I won't ask for anything more
I'm hurting, use me now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me I don't mind if you take advantage of me
So take advantage of me Hold me, I won't ask for anything more
I'm hurting, use me now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me Hold me, I won't ask for anything more
I'm hurting, use me now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me I don't mind if you take advantage of me
So take advantage of me
