# Constant One

## Steffany Gretzinger

In the moment I am hiding
Your love, it seeks me out
You hold me and You know me
From the inside out
From the inside out

Constant One
Endless is Your love
Like a river can't be stopped
You're faithful
Constant One
Who is like You, God?
Your mercy's like the sun
Always rising
Over us

It's amazing
How You take me just for who I am
In the valleys and in the mountains
I'm always in Your hands
I'm always in Your hands

Constant One
Endless is Your love
Like a river can't be stopped
You're faithful
Constant One
Who is like You, God?
Your mercy's like the sun
Always rising
Over us

There is no place that I could run
That You won't chase me down
You won't chase me down
There is no place that I could hide
That I will not be found
I will not be found

Constant One

Endless is Your love
Like a river can't be stopped
You're faithful
Constant One
Who is like You, God?
Your mercy's like the sun
Always rising
Over us
