In the Dark

Reignwolf

My love
It's so hard
My love
Is gone i'm so surprised

Your love
It's so far
Your love
why is it gotta be so hard?

Our love
Is not your fault
Disappear
Is what I want yes it is
Our love
Why's it gotta be so hard?
Our love
Always leaving me in the dark

My love
Left me with a broken heart
Our love
My love

Your lost
And i'm alone
Tell me you hear

But you move on

So shine on
Shine on
I let you go
And wonder you'll know

Our love
Why's it gotta be so hard
Our love
Always leaving me in the dark
My love

Left me with a broken heart
Our love
My love

Our love
Why's it gotta be so hard
Our love
Always leaving me in the dark
My love
Left me with a broken heart
Our love
My love
