

River Of Love

American Country Karaoke

Hey baby, won't you sit down here next to me
Yeah I heard you're havin' trouble in love
Yeah, I know how that can be
Love can hurt, I know it's true
Let me see what I can do
I know a place where you can find love
The kind you've always dreamed of
Let's go down to the river of love
Let me show you how sweet it can be
Down at the river of love
Let the cool, clear water wash over you and me
In the river of love
Hey darlin', you know that love is strange, yeah
Seems the harder you try to hold on
The further it moves away
I know it's hard to understand
But that's okay I got a plan
I know this place where you can find love
The kind you've always dreamed of
Let's go down to the river of love
Let me show you how sweet it can be
Down at the river of love
Let the cool, clear water wash over you and me
In the river of love
Let's go down to the river of love
Let me drown in the river of love
The river of love
You don't have to be afraid
'Cause I'll be right there by your side
We can take it slow baby
One long sweet ride, oh yeah
Down to the river
Down to the river
Oh down to the river
Let's go down to the river of love
Let me show you how sweet it can be
Down at the river of love
Let the cool, clear water wash over you and me
In the river of love

Let's go down to the river of love
Let me drown in the river of love
Hey baby, won't you sit down here next to me
Yeah yeah yeah
