

Francine

Tom Warrington

Got a girl, her name's francine
Finest thing you ever seen
And I love her, she's all that I want
And I need her, she's all that I need
Well, francine, oh francine, why
Do you love me and make me cry?
How I love her, she's all that I want
How I need her, she's all that I need
If I ever caught her with stevie p

I'd throw her back in the penitentiary, now
And if I caught her with my mother's son
I'll call her daddy and get my gun
My fancine just turned thirteen
She's my angelic teenage queen
And I love her, she's all that I want
And I need her, she's all that I need
And I love her, she's all that I want
And I need her, she's all that I need
And I love her, she's all that I want
And I need her, she's all that I need
