Advisory - the following lyrics contain explicit language:

I got a plane in the middle of the night, don't you mind
I nearly killed somebody, don't you mind, don't you mind
I gave you something you can never give back, don't you mind
You've seen your face like a heart attack, don't you mind, don't you mindI was late but I arrived
I'm sorry but I'd rather be getting high than watching the family die
Exaggerate and you and I
Oh I think I did something terrible to your body, don't you mindI put your mother through hell, don't you mind
I hate your brother as well, don't you mind, don't you mind
Oh I was thinking about killing myself, don't you mind
I love you, don't you mind, don't you mindI put your mother through hell, don't you mind
I hate your brother as well, don't you mind, don't you mind
Oh I was thinking bout killing myself, don't you mind
I love you, don't you mind, don't you mind
