Stumble And Fall

Darlene Love

Bet you think Im stay home every night
Bet you think I cant wait to hold you tight
But I not thinking of you at all when youve gone
And only once I stumble and fall just when ISee you walking by with somebody new
See you both have fun like we used to do
So I try to stand pride and tall
But deep inside I feel oh so small
Cause I know Ill stumble and fall every timeI stumble, stumble and fall right down
Stumble, stumble right on the ground like a clown
Every time you come aroundLike a clown I stumble and fall
Wish Id never saw you at all
So I try to stand pride and tall
But deep inside I feel oh so small
Cause I know Ill stumble and fall every time
