

# Video Killed The Radio Star (The Buggles)

## Amber Pacific

I heard you on the wireless back in fifty two  
Lying awake intent at tuning in on you  
If I was young it didn't stop you coming through Oh a oh They took the credit for your second symphony  
Rewritten by machine and new technology  
And now I understand the problems you can see Oh-a oh  
I met your children  
Oh-a oh  
What did you tell them? Video killed the radio star  
Video killed the radio star  
Pictures came and broke your heart And now we meet in an abandoned studio  
We hear the playback and it seems so long ago  
And you remember the jingles used to go Oh-a oh  
You were the first one  
Oh-a oh  
You were the last one Video killed the radio star  
Video killed the radio star  
In my mind and in my car  
We can't rewind, we've gone to far The radio star You are my radio star  
You are my radio star Video killed the radio star  
Video killed the radio star  
Video killed the radio star  
Video killed the radio star Pictures came and broke your heart  
Put the blame on VCR  
In my mind and in my car  
We can't rewind, we've gone to far
