Dear Lord

Sonicflood

Dear Lord, this pain inside me tears me apart
And Lord, the more it hurts, the harder my heart
Oh, in my darkest hour
Your love comes shining throughYour word is true and You make all things new
And I know You're all I need
And You say You're here and You calm my fears
And I know You'll never leave, You'll never leaveDear Lord, my heart is breaking, breaking in two
And Lord, my spirit's torn and crushed without You
Oh, in my darkest hour
Your love comes shining throughAnd Your word is true and You make all things new
And I know You're all I need
And You say You're here and You calm my fears
And I know You'll never leaveHigher than the stars that shine
And deeper than the sea
Is my Savior's precious love
Your love has set me free, set me freeAnd Your word is true and You make all things new
And I know You're all I need
And You say You're here and You calm my fears
And I know You'll never leave, You'll never leaveYou're by my side
You set me free
You set me freeHigher than the stars that shine
And deeper than the sea
Set me high, you set me high on eagles wings
[Incomprehensible]
You set me free
