

# Only The Strong Survive

Davina

Babygirl

dont ever let no body push yooh but yo'self yooh  
gotta takee caree of yooh kuz if yooh do you'll never fail, expect them to respect yooh and except yooh for the  
way yooh aree stay aimin' for  
the topp tha limit iss tha starss stay  
focused on your goalss  
gotta sav it out to tha extremee fulfillin'  
all yourYour Dreams-  
Dont Let Nobody Ever Get Between-  
U And Your Belief On Who N How U Choose To Be-  
Accept Reality Because The Truth Will Set U Free.  
I Know Its Hard But Its The Price U Gotta Pay-  
To Better Who U Are- U Better Learn From Your Mistakes.  
Seek Comfort In A Man Only If Hes Gonna Do U Right-  
Understand That This Is Life-  
And If Youre Strong- U Will Survive....  
And Im Just Suggestin That U Only Trust Yourself-  
Bcuz There Aint No Second Guessin When U Trust In Noone Else-Let  
Me Lace U With Some Truth Because I Practice What I Preach-Cuz  
Everything I Say I Do.  
The Livin Proof Is Me.

[Hook:]

Girl. Listen Babygirl. Im Gonna Lace U With Some Truth-  
On How U Gotta Live Your Life.  
Girl. I Am Talkin To U.. Only The Strong Survive.

[Verse 2:]

Now Ima Speak On All U Beezees Runnin Round N Bein Sleezy-Think  
Youre Nasty- Think Youre Freaky-  
But The Homies Know Its Easy-  
Lettin Everyone Up In- N There U Go Again-  
There U Go Actin Like A Hoe Again.  
I Think U Need To Know That Us A Scandelous Hoe- Scandelous Hoe.  
Youre Only Out To Play Your Tricks.  
Wonder Why They Call U Bitch. But It Is Just What It Is.  
Its The Bitches Like U That Make It Hard For Women Just Like Me- N All  
The Scandelous Shit U Do  
Affects The Life I Try To Lead.... Youre Shady-

But Maybe U Might Have The Heart To Change-  
Cuz I Admit That Noones Perfect N We All Can Make Mistakes- But U  
Know That U Deserve It  
If U Keep Inflictin Pain On Yourself Cuz If U Dont  
Then This Is How U Will Remain-  
N U Cant Do Nobody Else If U Aint Doin For Yourself-  
So Just Refuse To Ever Fail N If Youre Strong- U Will Prevail. So  
Now's Your Chance To Choose  
To Move Ahead Or Stay Behind-  
Stay True To U N Dont Be Weak Up In The Mind-  
So Do What U Gotta Do So U Can Be That Living Proof-  
U Gotta Prove That Only The Strong Survive....

[Repeat Hook:]

Girl. Listen Babygirl. Im Gonna Lace U With Some Truth-  
On How U Gotta Live Your Life.  
Girl. I Am Talkin To U.. Only The Strong Survive.

[Verse 3:]

This Last Verse Has A Message N Its Gotta Be Directed-  
To All U Females Stressin Bein Mistreated N Neglected-  
Ya Feindin For Attention So Ya Seekin The Affection-  
Of A Man With Bad Intentions- Now Hes Got Ya Getting Naked- N Hes  
Gonna Get To Runnin U- Ya Laid Up In The Bed-  
U Really Think Hes Lovin U?- Its All Up In Your Head-  
N When Hes Done N Had Enough Of U- Thats All Youre Gonna Get-  
And Then Hes Gonna Step- Ya Boy Pac Said It Best. Keep Ya Head Up-  
Legs Closed- Eyes Open.  
U Need To Hear Just What I Said Because U Just Aint Knowin- That U  
Aint Gotta Use Your Body If U Only Use Your Mind- N I Am Speakin From  
Experience But I Left That Life Behind- Bcuz I Been There- I Done That-  
I Dont Want That- Believe Me I Aint Frontin N I Refuse To Ever Go Back-  
So Dont Be Deaf To What I Say- Dont Be Naïve- Just Use Your Mind-  
Open Up Your Eyes N U Can See Cuz U Aint Blind-  
Until Then Understand That U Aint No Mans Bitch-  
N U Aint Gotta Be Like This- So Babygirl U Need To Switch.  
Wonder Why They Call U Bitch.

[Hook:]

Girl. Listen Babygirl. Im Gonna Lace U With Some Truth-  
On How U Gotta Live Your Life.  
Girl. I Am Talkin To U.. Only The Strong Survive.

Im Just Lettin Yall Homegirls Know-  
It Aint Easy. So Dont Be Easy.

So Just Remember Only He Strong Will Survive..
