## The Never Land Pirate Band

Yo Ho Ho!

Yo Ho Ho!

On yer toes me mateys,

Now look alive ye swabs

Be sure to do yer duty

even tho ye be sea dogs

Cuz so it be, us pirates we

have just the test for you

Be ye bosun, mate or popinjay,

Yo Ho Ho is what you say

Yo Ho Ho!

Yo Ho Ho!

Yo Ho Ho!

Yo Ho Ho!

By thunder if a pirate,

ye'd know these words of code

and keep ye wits about ye,

like ye keep yer treasure stowed

Ye know what to do

with a captain who

inquires about yer trade

when he asks ye for the pirate phrase, Yo Ho Ho is what you say

Yo Ho Ho!

Yo Ho Ho!

Now give your affy-davy

as a pirate bold and true

to do a fair accoutin'

of yer shipmates' gold doubloons

If you take good care of the equal share

of the jolly fortune made

with the loot aboard

and the anchor weighed

Whats the Pirate Password, mate?

Yo Ho Ho!

Yo Ho Ho!

Yo Ho Ho!

Yo Ho Ho!
