

Sweetness

Sally Fingerett

Yeah, girl I see over there looking all sexy
I'm tryin' to get next to you
You know what I'm sayin'
 Fine lil' thing you
 Yeah
Let me turn you on, let me make you holler
 Baby, I can make you scream my name
I know what you like and I know that you want it
 Baby, I know I can make you cream
I know I can get it and you know that you're with it
 Baby, won't you let me state my case
I know you're not tripping, you know I'm not tripping
 Baby if you wanna play, let's play, yeah, yeah
 Your sweetness is my weakness
 Every time I lick it up, my fingers babe
 Your essence is present
Even when you walk away from me, it stays
 Your sweetness, that sweetness
 Can't deny it when I do it my way
 Your sweetness, that sweetness
Every time you walk away from me, it stays
You know I'm not phony, you're my tenderoni
 I can sex your body up all day
You know I'm not nasty but I can do it nasty
 I can flip you up a thousand ways
 Girl, I got the potion, your body is a ocean
 Let me show you how the water makes waves
You know I'm not tripping, I know you're not tripping
 Baby if you wanna play, let's play
 Your sweetness is my weakness
 Every time I lick it up, my fingers baby
 Your essence is present
Even when you walk away from me, it stays
 Your sweetness, that sweetness
 Can't deny it when I do it my way
 Your sweetness, that sweetness
Every time you walk away from me, it stays, baby
 You're finally sayin' yes
 You're finally sayin' yes, girl

We could do it now
We could do it right now
Time is on our side
No, we can do it all night
Only take that off
'Cause you're finally lookin' good to me
Your sweetness is my weakness
Every time I lick it up, my fingers babe
Your essence is present
Even when you walk away from me, it stays
Your sweetness, that sweetness
Can't deny it when I do it my way
Your sweetness, that sweetness
Every time you walk away from me, it stays
Your sweetness, yeah, your sweetness, yeah
Your sweetness, girl
Yes, my weakness, yes, my weakness, baby
Ooh hoo, ooh, your sweetness, oh baby, baby
Yeah, yeah, uh, um, um um um um
