You Did (feat. James Fortune)

J Moss

"You Did"
(feat. James Fortune)Holy father, full of grace, full of grace
So grateful, I thank you for your presence and the space
Right now, In this moment, I partake
You came, You came here even though we make mistakes
I'm sorry, I'm sorry for all the trouble I caused you
I've even doubted you, and doubtful that time you didn't answer my call, lord
And I'll never understand, I don't know why, I can't explain
I can't explain it, I'm grateful, I'm just glad that you did, that you did
I just, I gotta let you know why I stand father, stand
Holy father, so great, one who's great
I didn't understand it, every lesson helped me strengthen my faith
Yeah spirit, by your spirit, inducing grace
So glad, I live to see another day in this race
And I'm really sorry, I'm sorry I did what you forbid now
Was thinking of myself, and selfishly big you still let me live, lord
I don't know why, I don't know why? If I had all day
I can't explain it, but I'm really glad, I'm just glad you did
Real talk right there
Man I'll never forget that
You came, you came, and you stayed, you stayed
I'm so grateful, I'm glad, that you did, you did
When I was on my knees, you heard, you heard
My cries, I appreciate it, I'm glad,
That God you did, you did
At my lowest point, you came, and you didn't leave
You stayed, and I'm glad, I'm glad, that you did, you did
I was alone, you heard, but God you heard, my cries
And I'm glad, I'm glad, that God you did, you did
I was there, you came, never left, you stayed
To deserve it, I'm glad, you did, you did
You head me, you heard, it's one of my tears... you did
Nobody but you, you came, you stayed, you did, yes you did
You heard my cries, you did, you stayed, yes you did.
