

# She Thinks I Still Care

## The Statler Brothers

She thinks I still care Just because I asked a friend about her  
Just because I spoke her name somewhere  
Just because I rang her number by mistake today  
She thinks I still care Just because I haunt the same old places  
Where the memory of her lingers everywhere  
Just because I'm not the happy guy I used to be  
She thinks I still care And if she's happy thinking I still need her  
Then let that silly notion bring her cheer  
Oh how could she ever be so foolish  
Tell me where did she get such an idea Just because I asked a friend about her  
Just because I spoke her name somewhere  
Just because I saw her then went all to pieces  
She thinks I still care How could she think I still care
