

# Fly Away

## Pop Evil

What is it for, when they tell you lies,  
Baby what is it for?  
Got one foot out the door  
Just like before when you been denied,  
Baby just like before  
I got your name  
For all I know today I'm gonna fly away, looking for more  
Cause you're giving me nothing  
I'm so close, what is it for?  
What is it for? Just let it burn; don't keep it inside,  
Baby just let it burn.  
Got one foot out the door  
There's no return from passion or pride.  
Baby there's no return  
I got your name  
For all I know today I'm gonna fly away, looking for more  
Cause you're giving me nothing  
I'm so close, what is it for?  
What is it for? What is it for? Go live your life  
Baby what is it for?  
Got one foot out the door  
What is it for? Go live your life  
Baby what is it for?  
I got your name For all I know today  
For all I know today  
For all I know today I'm gonna fly away, looking for more  
Cause you're giving me nothing  
I'm so close, what is it for?  
What is it for? I'm gonna fly away, looking for more  
Looking for more  
I'm gonna fly away; what is it for?  
What is it for?
