

# Monty Got a Raw Deal

R.E.M.

Monty this seems strange to me  
The movies had that movie thing  
But nonsense has a welcome ring  
And heroes don't come easy Now nonsense isn't new to me  
I know my head, I know my feet  
But mischief knocked me in the knees  
Said, just let go, just let go I saw the ocean meet the man  
I saw you buried in the sand  
A friend was there to hold your hand  
Said, walk on by So, I went walking through the street  
I saw you strung up in a tree  
A woman knelt there said to me  
Said, hold your tongue, ma, hold your tongue You don't owe me anything  
You don't want this sympathy (waste your breath)  
Don't you waste your breath (waste your breath)  
For the silver screen That nonsense doesn't mean a thing  
They tried to bust you in a sting  
But virtue isn't everything  
So, don't waste time Now, here's a rhyme that you can steal  
Put this on your reel to reel  
Mischief threw a rotten deal  
Monty's laying low, man  
He is laying low  
Just let go  
Just let go You don't owe me anything  
You don't want this sympathy (waste your breath)  
Don't you waste your breath (waste your breath)  
Monty this seems strange to me
