Turning Around For Me

Vashawn Mitchell

Sometimes discouraged but not defeated
Cast down but not destroyed
There are times i don't understand
But I believe its turning around for meI've had troubles and disappointments
There are times I felt so alone
Some of my friends they let me down
But I still believe its turning around for me
Around for me, around for me, around for me
Its turning around for meI can see the breaking of day
God is making a way
A change is coming for me
If I stand strong and believe
There is no reason to doubt
I know he is working it out
Its turning around for meIt wont always be like this;
the Lord will perfect that concerning me;
and sooner or later it will turn in my favor
Sooner or later, turn in my favor
Sooner or later, turn in my favor
Its turning around for me
Its turning around for me
Vamp
Around for me, around for me, around for me
Its turning around for me
Around for me, around for me, around for me
Its turning around for me
Around for me, around for me, around for me
Its turning around for me
Around for me, around for me, around for me
Its turning around for me
Turning around for me (x8)
