Tired Of Giving Up

[Ryan Adams](#)

I'm tired of giving up so easy
Tired of giving up at all
Tired of giving up so easy
Tired of giving up at allNobody said it would be easy
Nobody said nothing at all
And I'm tired of giving upAnd I'm tired of fighting
I don't understand at all
And I'm tired of lying
Tired of trying to hide itTired of giving up so easy
Tired of giving up at all
Tired of giving up so easy
Tired of giving up at allIs that all you can say?
You're so wild and full of rage
You keep running away, you're runningSuppose I try to love you
Something I don't know
Sometimes you know there ain't no telling you, so don'tI'm tired of giving up so easy
Tired of giving up at all
Tired of giving up so easy
Tired of giving up at allIs that all you can say?
You're so wild and full of rage
You keep running away, you're running
You're running, running
Running, running
