Give It Up

[Midtown](#)

This silence kills the calm
Of the night
I force an anxious patience
Counting every beat and waiting for my turn to dieGive it up, Give it up
Don't fall for the same things
Give it up, Give it up
Don't fall for mistakes that I've made
Don't turn awayI understand your ways
Won't give it upIt's not me you're waiting for
Alright, stop waiting
It's not me you're waiting for
It's time to let go, time to let it goAnd when
you become
all you've lost
Wandering the streets and searching for a place to dieGive it up, Give it up
Don't fall for the same things
Give it up, Give it up
Don't fall for mistakes that I've made
Don't turn awayI understand your ways
Don't give it upIt's not me you're waiting for
Alright, stop waiting
It's not me you're waiting for
This is where it ends
It's not me you're waiting for
It's time to let go, time to let it go
And if you promise to forget
I'll try to find a way to make the same mistakes(make mistakes)Give it up, give it up (try to find a way)
Give it up, give it up (try to find a way)
Give it up, give it up (try to find a way)
Give it up, give it up
WONT GIVE IT UP!!
It's not me your waiting for,
its not me your waiting for,
alright, stop waiting.
It's not me your waiting for,
alright, stop waiting.
It's not me your waiting forGive it up, give it up,
dont fall for the same things.
All Right, Stop Waiting!

Give it up, give it up,
dont fall for mistakes that i've made,
and turn away.
Give it up,give it up
dont fall for the same things.(dont turn away)
Give it up, give it up,
dont fall for mistakes that ive made
Dont turn away!!
