Sarajevo

The Hoosiers

We were the lucky few
A luck we soon outgrew
And now instead we drift again
How I miss SarajevoOh, we were lost at sea
To pause for thought, then we
Slip beneath the foam
And fall down to the seabedGood times die young
For the faraway kids on the run
Nowhere to hide the faraway kids
The faraway kidsAt night my soul sets sail
In minute detail
When I wake I cry
For I've lost SarajevoOh, the charges lacked all proof
And failed to light the fuse
For the Little Brutes
But I forsook SarajevoGood times die young
For the faraway kids on the run
Nowhere to hide faraway kids
Faraway kidsGood times die young
For the faraway kids on the run
Nowhere to hide faraway kids
Faraway kidsFaraway kids
The faraway kids
The faraway kids
The faraway kidsThe faraway kids
The faraway kids
The faraway kidsFaraway kids
Faraway kidsI can't outrun
The terrible things I have done
I can't outrun faraway kids
Faraway kidsWe, we were the lucky few
A luck we soon outgrew
And now instead we drift again
How I miss Sarajevo
Drift again, I miss SarajevoFaraway kids
Faraway kids
Faraway kids
Faraway kidsFaraway kids
Faraway kids

Faraway kids
Faraway kidsFaraway kids
Faraway kids
Faraway kids
The faraway kids, yeah
