## The Hoosiers

We were the lucky few  
A luck we soon outgrew  
And now instead we drift again  
How I miss Sarajevo Oh, we were lost at sea  
To pause for thought, then we  
Slip beneath the foam  
And fall down to the seabed Good times die young  
For the faraway kids on the run  
Nowhere to hide the faraway kids  
The faraway kids At night my soul sets sail  
In minute detail  
When I wake I cry  
For I've lost Sarajevo Oh, the charges lacked all proof  
And failed to light the fuse  
For the Little Brutes  
But I forsook Sarajevo Good times die young  
For the faraway kids on the run  
Nowhere to hide faraway kids  
Faraway kids Good times die young  
For the faraway kids on the run  
Nowhere to hide faraway kids  
Faraway kids Faraway kids  
The faraway kids  
The faraway kids  
The faraway kids The faraway kids  
The faraway kids  
The faraway kids Faraway kids  
Faraway kids I can't outrun  
The terrible things I have done  
I can't outrun faraway kids  
Faraway kids We, we were the lucky few  
A luck we soon outgrew  
And now instead we drift again  
How I miss Sarajevo  
Drift again, I miss Sarajevo Faraway kids  
Faraway kids  
Faraway kids  
Faraway kids Faraway kids  
Faraway kids

Faraway kids  
Faraway kidsFaraway kids  
Faraway kids  
Faraway kids  
The faraway kids, yeah
