What a Difference a Day Made

Jacky Terrasson

What a difference a day made
Twenty-four little hours
Bought the sun and the flowers
Where there used to be rainMy yesterday was blue dear
Today I'm a part of you dear
My lonely nights are through dear
Since you said you were mineOh, and what a difference a day made
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss that thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made
And the difference is you, is youMy yesterday was blue dear
Still I'm a part of you dear
My lonely nights are through dear
Since you said you were mineOh, and what a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss that thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made
And the difference is you, is you, is you
