# Who I Am

## Smile Empty Soul

Another night again
Another journey without friends
Another fight to wish away the loneliness I liveAnother circus show
Another face that I don't know
Another night of people askin' what I have to giveI thought that I would drown
But it's okay right nowNo one knows the way I feel
A part of me I have to fight
Buried somewhere deep beneath my skinThe emptiness in me is faded
I can see my life is waitin'
Now I know I'm livin' for who I am
Now I know I'm livin' for who I amThe fire grows inside
The feeling cannot be denied
And everywhere I turn the size of guys, they push meAnd all has fallen down
But it's okay right nowNo one knows the way I feel
A part of me I have to fight
Buried somewhere deep beneath my skinThe emptiness in me is faded
I can see my life is waitin'
Now I know I'm livin' for who I amAnd everything seems great, well, everyone is fake
But no one really knows you
Look into their eyes, rip off your disguise
Let them see the real youNo one knows the way I feel
A part of me I have to fight
Buried somewhere deep beneath my skinThe emptiness in me is faded
I can see my life is waitin'
Now I know I'm livin' for who I am
Now I know I'm livin' for who I am
