

# Just As Lost As You

Gomez

When you wake up alone  
Could you live without it?  
I don't think so  
Make a note of the time  
When you first think about it  
I don't think so

I'm just as lost as you are  
Does it make you feel any better?

Your impression of me  
Is slowly getting worse  
Yeah, I think so but  
When the shield went down  
I fell under the curse  
Yeah, I think so but

I never thought  
That you and I could come to this  
I left you floating 'cause  
You never struck me  
As somebody that would ever drown

I'm just as lost as you are  
Does it make you feel any better?  
Does it make you feel any better?

I'm just as lost as  
I'm just as lost as you are

Does it make you feel any better?  
Does it make you feel any better?  
Does it make you feel any better?  
Hope it makes you feel a little better
